## EXPERIENCE **First Orion / Team Leader & Sr. Product Designer**

JANUARY 2021 - PRESENT

Little Rock, AR (Remote, Chelmsford, MA)

I lead the design vision and help set strategic product direction for our branded calling solution. I established a DesignOps team and mentor early career designers. The products I build at First Orion empowers businesses to deliver interactive phone communications backed by call protection services.

## **OneSky Flight, Llc / UX Design Manager**

DECEMBER 2019 - JANUARY 2021

Richmond Heights, OH (Remote, Chelmsford, MA)

I led the design and innovation efforts of mobile apps, web platforms and operational strategies for an aviation portfolio consisting of multiple industry leading private jet travel brands. OneSky Flight's portfolio of private aviation companies includes Flexjet, Sentient Jet, FXAIR, PrivateFly, and Sirio in Europe.

## **MITRE Corp. / Sr. Healthcare UI/UX Designer**

JULY 2015 - DECEMBER 2019

Bedford, MA

Designed platforms, applications and conducted research to support projects for the Health Federally Funded Research and Development Center (FFRDC) currently operated by MITRE Corporation.
